Right to Reasonable Accommodation

State and Federal laws require housing providers to make reasonable accommodations or changes to either the apartment, other parts of the housing complex, or to house rules, policies and procedures (not essential terms of the lease) if such changes will provide them with equal opportunity to use and enjoy our housing programs, their unit and/or common areas. Bath Housing does not provide reasonable accommodations when the request is a matter of convenience or preference only.

If you have a disability that requires you to need

- An accommodation or adjustment in the program's rules, policies, practices or services, or
- A modification of your Public Housing unit or its associated premises, then-
- You can ask for this kind of change, which is called a REASONABLE ACCOMMODATION

We will try to approve your request if you can show that you have a disability that requires a reasonable accommodation or modification, and your request is reasonable.

The process for requesting a Reasonable Accommodation is as follows:

1. Request must be in writing on a Bath Housing Reasonable Accommodation Request Form. If you have any problems completing the form BHA staff will assist you in completing the form.
2. Requests for reasonable accommodations are subject to third party verification by a qualified professional.
3. Provided that we obtain timely verification of the need and appropriateness of the request a determination will be made within 30 days. This time period can be extended by mutual agreement.
4. Residents have the right to request a hearing if their request is denied.
